

**WFXU(TV), Live Oak, Florida (FID 22245)  
License Renewal – Public File Exhibit**

All material was timely uploaded to the online public file during this license term for WFXU, except as noted below:

- 1) The Issues and Program Report and Commercial Limits Certification for 4<sup>th</sup> Quarter 2018 were uploaded to the online public file on January 29, 2019. The station mistakenly believed that stations in the path of Hurricane Michael had been granted an extension of time to upload 4<sup>th</sup> Quarter reports to the online public file.
- 2) The station entered into an affiliation agreement with Start TV in April 2019 and began airing this programming in May 2019. An updated contract list including the Start TV affiliation agreement was uploaded to the station's online public file on August 15, 2019.
- 3) Pursuant to the terms of a Compliance Plan, the Station was required to conduct a compliance training one time per year and upload a certification of completion to the public file within 3 business days thereafter. The 2019 training was conducted as required on February 8, 2019. However, the certification for the training was not uploaded to the public file until March 4, 2019.

Please note the following:

- 1) WFXU did not air any political advertising during this license term.
- 2) WFXU is part of a Station Employment Unit that includes WCTV, Thomasville, Georgia. Therefore, its annual EEO Report is prepared and uploaded to the public file on the schedule for stations located in Georgia (i.e., December). WFXU does not have a website.
- 3) The previous licensee of WFXU defaulted to must-carry status by not affirmatively sending an election notice during the last window. Therefore, no election letters are uploaded to the online public file.
