

Statement Regarding 2019 EEO Public File Report

Charlottesville TV LLC (the “Licensee”) acquired the stations composing the Employment Unit subject to the instant EEO Program Report on October 1, 2019, as authorized in FCC File No. BALCDT-20190304AAW. Accordingly, the scope of the Licensee’s responses in the report is limited to the period commencing on October 1, 2019, after which the Licensee became the FCC licensee of the stations.

Because the Licensee was not the FCC licensee of the stations during the period covered by the Employment Unit’s 2019 EEO Public File Report, that report, which was prepared by the prior licensee of the stations and continues to be available in the Employment Unit’s FCC Online Public Inspection File, has not been not filed with the instant EEO Program Report.
