

## **WVEC**

### **License Renewal Application Transfer of Control**

As the FCC's records reflect, TEGNA Inc. (formerly Gannett Co., Inc.) acquired control of WVEC Television, Inc. (now WVEC Television, LLC), pursuant to a long-form transfer of control, which was granted by the FCC on December 20, 2013, and consummated on December 23, 2013 (see BTCCDT-20130619AAR.) Thus, pursuant to FCC policy and the renewal application instructions, the renewal applicant's response covers the period commencing as of the consummation of the transfer of control.
