

Online Public Inspection File Certification Attachment

To the licensee's knowledge, except as set forth herein, WZAK-FM has timely placed in its online public inspection file all documents required to be placed in the file by 47 C.F.R. 73.3526 and otherwise has complied with the Commission's public file requirements in all material respects.

Due to an administrative oversight, the licensee failed to timely upload the following files to the station's online public inspection file:

- Cleveland Annual EEO Report, 2016
- Cleveland Annual EEO Report, 2017
- Quarterly Issue Report, Issues and Programs List, Q1 2015
- Quarterly Issue Report, Issues and Programs List, Q2 2015
- Quarterly Issue Report, Issues and Programs List, Q3 2015
- Quarterly Issue Report, Issues and Programs List, Q2 2016

Due to limited accessibility of the online public inspection files during periods of government shutdown, licensee may have been unable to upload certain required files in a timely fashion. Upon the restoration of access to the online public inspection file, the licensee uploaded any documentation that may have been affected.

In making this certification, the licensee has reviewed its public inspection file and has inquired of current employees who are knowledgeable of the contents and maintenance of the licensee's public inspection file. As used in this certification, the phrase "to licensee's knowledge" means licensee's actual knowledge, during the period that the licensee has owned the station, without further investigation other than as described in this exhibit.
