

**Certification Regarding Compliance with  
Section 73.3526 of the FCC's Rules During the Current License Term**

Applicant has reviewed its Public Inspection File to determine whether documentation required by Section 73.3526 of the FCC's Rules has been uploaded to the Public Inspection File when required, and found that the following items were uploaded after the applicable deadline:

- The Third Quarter 2016 Children's Television Commercial Limits Certification was timely prepared on October 11, 2016,<sup>1</sup> but not uploaded to the online public inspection file until July 26, 2018; and
- The Fourth Quarter 2016 Children's Television Commercial Limits Certifications was timely prepared on January 10, 2017, but not uploaded to the online public inspection file until July 26, 2018.

The deadlines to file or upload certain documents, including the 2017 Biennial Ownership Report and Fourth Quarter 2018 certifications and reports, were extended due to government closures. Additionally, the station uploaded its Third Quarter 2016 Issues/Programs List and filed its Third Quarter Children's Television Programming Report on October 11, 2016 because October 10, 2016 was a federal holiday. These documents were, therefore, timely filed or uploaded under the FCC's Rules. *See, e.g., 47 C.F.R. § 1.4; Revisions to Filing and Other Deadlines Following Resumption of Normal Operations*, Public Notice, DA 19-26 (rel. January 29, 2019); *Life of Victory TV, Inc.*, 31 FCC Rcd 11628, 11636 (2016).

Applicant also found that some documents were not added to the station's Section 73.3613 list within 30 days of execution. Applicant's most recent Biennial Ownership Report includes an updated Section 73.3613 list as of the October 1, 2019 reporting date and the station has uploaded a supplemental list to account for Section 73.3613 documents executed since that time. Applicant will provide additional training to station staff to ensure all required documents are timely uploaded to the Public Inspection File in the future.
