

**WATH, INC. EMPLOYMENT UNIT
EEO NARRATIVE STATEMENT**

Station WATH Inc. is an equal opportunity employer committed to meeting the Stations' EEO obligations. We have established, maintain, and carry out a positive continuing program of specific practices designed to allow for equal opportunity and nondiscrimination in every aspect of station employment policy and practice. The stations achieved broad and inclusive outreach during the two-year period prior to filing this application as shown by the community initiatives in the attached EEO Local Public File Reports. All organizations that express an interest in notification of new hiring opportunities will be provided with notice as soon as possible. All of our outreach activities are attended by company personnel with hiring authority as interpreted by the Commission.

In addition, all Employment Unit hiring goes through our assigned EEO Officer, whose responsibility is to ensure the stations are compliant with EEO policies. EEO Memos are posted within our building.

In accordance with 73.2080 (b) each manager knows our EEO policies. We announce openings on our stations.

The EEO Officer is charged with assuring that there is no discrimination based on sex, religion or race in regards to the job assigned and the pay received.

All benefits afforded to our employees are the same for everyone and based entirely on length of service and at the sole discretion of each full time employee as to whether or not they avail themselves to the offered benefits. It is the ongoing policy of our company to ensure that all decisions made concerning employees are made based on job performance and not discriminatory.
