EEO Report Narrative Statement

As demonstrated by the two attached EEO public file reports, the station employment unit (SEU) is committed to achieving broad and inclusive outreach for all full-time positions that it fills. The SEU employs a variety of sources to reach and recruit potential candidates including local and national sources. Its frequent high school and college student tours, participation in job fairs, and other outreach efforts in the surrounding communities ensure that the SEU is well connected to the communities it serves. The SEU takes its EEO responsibilities seriously and will continue to do so.
