

## **ONLINE PUBLIC INSPECTION FILE EXHIBIT**

In preparing the renewal application for station WZEW, it was discovered that during the recent license term, the station's staff inadvertently did not timely upload certain Issues/Programs lists to the online public file. Those lists were in the station's paper public file but were not uploaded. They have now been uploaded so the online public file is complete.

New procedures are now in place for the station's staff to ensure timely continued compliance with the online public file requirements.
