In re: K202CB, Palmer, AK
File # 115724
Facility ID # 10959

Dear Applicant:

This refers to the above-captioned FM translator application for K202CB, Palmer, Alaska.

An engineering study has revealed the application is a major change application pursuant to 47 C.F.R. § 74.1233(a)(1)(i)(A)(2). Specifically, the Section states that “a major change is any change in frequency except “Upon a showing of interference to or from any other broadcast station, remedial changes to any same band frequency;”. K265FG is licensed on channel 202. The applicant is proposing channel 249 which is not in the “same band” therefore is a major change.

Accordingly, the Application File # 115724 IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

for
