

NOTICE OF DISCONTINUANCE AND REQUEST FOR SPECIAL TEMPORARY  
AUTHORITY

The instant submission serves as notice to the Commission that KHPX-CD, Georgetown, Texas, FAC ID 35911, licensed Nexstar Broadcasting, Inc. ("Nexstar"), slated to transition to its post-transition channel 29 in Phase 10 (by/before July 3, 2020), will be forced to discontinue operations due to unanticipated antenna rigging issues that will prevent installation of its post-transition channel antenna. Consequently, KHPX-CD, required to vacate its pre-transition channel 28, will go dark on July 3, 2020. KHPX-CD is an CW affiliate. The CW programming will remain available on KNVA(TV), Austin, Texas, FAC ID 144. Nexstar is working to resolve the issue. Accordingly, Nexstar submits this discontinuance notice and seeks special temporary authority to remain silent. A construction permit extension request is being concurrently filed with the Commission.
