

WHSU-CD 10-Day Post Transition Statement  
Renard Communications Corp.  
June, 2020

WHSU-CD transitioned to post-transition channel 23 on 3/13/2020 and had been granted an STA until 9/9/2020 to operate at reduced power until the remaining equipment from the transmitter manufacturer had been received and installed. The station completed the installation and filed its license application on 6/18/2020.
