Broadcast EEO Public File Report – Fewer Than Five Full-Time Employees

This station is part of a employment unit that has fewer than five full-time employees. Thus, pursuant to 47 C.F.R. § 73.2080(d), the station is exempt from the obligation to place a Broadcast EEO Public File Report on the station's website. The EEO Program certification item regarding the Public File Report in the DTV/Class A Certifications section of this application is therefore not applicable.
