

**Request for Extension of Silent STA for W45CL-D**

July 2020 Update: The licensee respectfully requests further extension of silent special temporary authority most recently granted in LMS File No. [0000095664](#). W45CL-D has been displaced to Channel 26 (see LMS File No. [0000054169](#)) and must vacate Channel 45 by August 13, 2020. The new transmitter and combiner necessary for the licensee to transition to its displacement channel are on order but construction will not be completed before the July 7<sup>th</sup> expiration date of the silent STA request under which the station is currently operating. As a result, the licensee respectfully requests a six month extension to allow for construction of the new facility.
