

Tolling Waiver Withdrawal  
***CBS Television Licenses LLC***

Facility ID 73982

CBS Television Licenses LLC (ViacomCBS), licensee of WSBK-TV Boston, MA (the Station), herein seeks to withdraw a prior waiver of the Commission's tolling provisions for construction of the main WSBK-TV post-transition facility.<sup>1</sup> As discussed below, the prior request is no longer necessary.<sup>2</sup>

Tower owner American Towers LLC (ATC), the general contractor for construction of the main antenna site of WSBK-TV and many other Boston stations, experienced a myriad of delays during the project. Prior to submitting the tolling request, the ATC forecast predicted a completion date of July 13, just days prior to the Station's construction permit expiration date of July 15. Much to our surprise, the project has been completed ahead of schedule. Following successful testing, a timely License Application "to cover" the WSBK-TV Construction Permit was filed on July 9, 2020 and the requested tolling is no longer necessary.
