

**Statement Regarding Public Inspection File**

Based on the licensee's review of the station's online public file in the course of preparing for this renewal application, certain items were found missing from, or incorrectly or untimely uploaded to, the file:

- The station's issues/programs lists for all four quarters of 2014, the fourth quarter of 2015, and the second and fourth quarters of 2018 were found to have been lists for WKJT's sister station. The WKJT issues/programs lists for those quarters were uploaded to the online public inspection file on July 21 and July 23, 2020.
- The station's issues/programs list for the second quarter of 2015 was found to be missing from the online public inspection file. The list was uploaded to the file on July 21, 2020.

The licensee is reviewing its existing training methods and will work to ensure that station staff are focused on uploading all required public file information promptly.
