

KJCV-FM Online Public Inspection File

During its most recent license term, KJCV-FM (Facility ID No. 89276), Country Club, MO, did not fully comply with certain online public inspection file (OPIF) requirements as provided in Section 73.3526 of the Commission's rules:¹

EEO Audit: Station KJCV-FM was the subject of a random EEO Audit in June 2015. The station, which then, as now, had less than five full time employees, timely responded to the FCC and the FCC subsequently issued a letter indicating no further action was required ("All Clear Letter"). During a review of the OPIF in preparation for filing the license renewal application, it was discovered that the Audit Letter, the Response to the Audit and the All Clear Letter had not been uploaded to OPIF. These materials were uploaded on June 30/July1, 2020.
