

## **Explanation of Response to Online Public Inspection File (“OPIF”) Question**

WYHA (formerly WFUR-FM) was acquired as of May 11, 2020 (See BALH-20200227AAC), so the licensee is responsible for uploading to the OPIF issues/programs lists beginning in the second quarter of 2020. Pursuant to Public Notice, DA 20-353, released March 27, 2020, issues/programs lists for the first and second quarters of 2020, may be timely uploaded by July 10, 2020. As a result, the issues/programs list for the second quarter of 2020 is not due to be uploaded to the OPIF until July 10, 2020.

Moreover, the licensee reviewed the OPIF for the period prior to May 11, 2020, and noted several discrepancies. It is the licensee’s understanding that it has no responsibility for the compliance of the OPIF prior to May 11, 2020.
