Dear FCC and All Interested Parties,

This complaint comes under a collective of over 1,600 taxpaying citizens against Chicago FM radio stations 107.5, owned by iHeart, and 92.3, owned by Crawford, and other similarly-formatted stations across the country.

As our great city of Chicago grapples with the horrors of children being murdered and ceaseless bloodshed, Power 92.3 FM and iHeart's WGCI 107.5 FM continue to pump violence, drugs, and verbal porn into the minds of Black youth.

Corporations everywhere are being called to task on racist promotions, images, and practices. Statues are being torn down, protests are everywhere decrying anti-Black racism, but iHeart and Crawford seem to be oblivious to the violent, pornographic, drug-induced minstrel show they are running 24 hours a day.

Crawford's 92.3 and iHeart's 107.5 have proven that they are irresponsible city stakeholders who not invested in the success of our "urban" youth, the audience share they own. The reckless disregard for the content they distribute is directly negating the efforts of many who are trying to make a difference in our communities.

Both stations are operating in continued violation of the FCC Standards of Decency.

These are just a sample of lyrics being played on these stations 24 hours a day, seven days a week:

Shootings:

- *This Draco (gun) undefeated, hit your block and then I bleed it, go long, these bullets, he receive it* (instruction or description of a drive-by shooting)
- *My Glock told me to promise, you gon squeeze me...soon as you up on that n***a, get to bustin'* (walk up to a rival, then shoot)
- *She [his mother] know what I do, she know before I run from a n***a, I'ma pull it out and shoot*
- *My daughter a G, she saw me kill a n***a in front of her before the age of two and I'll kill another n***a too*
- *I put your face on the news, I put the p***y on the shirt after I murk, then make 'em go shoot up the hearse* (murder victim covered in news stories, their grieving family and friends make t-shirts with their picture)
- *What's your issue, if you got a trigger, squeeze it (bah, squeeze it), A whole block outside, its a street fest* (directions on how and why to shoot into a crowd)
- *How many times you got shot? A lot. How many n****s you shot? A lot. How many times did you ride? A lot. How many n****s done died? A lot.*

Gang beef:

- *Couple blue* (rival gang, i.e, Crips or Gangster Disciples) *hunnids* (AK-47s) *with the stones* (Vice Lords gang), *it's bleedin* (a shoot-out is in progress)..., *ain't no peace treaty, these stones around my Jesus, they ain't treated, they got me heated, don't play with the gang, they know that we undefeated* (Stones are a major factor in Chicago)

Drug use:

- *If I got a pint of lean, Ima sip, sip.* (lean is a drink made with cough syrup for the codeine and/or promethazine)
- *I'm booted up off that molly, I cover my gun* (molly is MDMA or ecstasy)
- *Got Promethazine* (sedative) *in my blood and Percocet* (highly addictive, prescription pain killer)

Verbal Porn:

- *Shawty made that ass clap, she don't need no applause* (a stripper dance usually done naked)
- *She a bad bitch, eat the p***y like a spinach, she'll suck d*** on the way to the dentist*

- *Sucking on d**k no hands with it*
- *Put my c*m in her p***y, now it's wet*

Not only is Chicago radio grooming children for sexual exploitation (just like any pedophile), they are distributing and promoting murder, gang war, shootings, and drug use 24 hours a day.

iHeart's 107.5 and Crawford's 92.3's target market is Black youth in urban areas where gun violence is at an epidemic level and the lyrics of these songs are being acted out on our city streets.

These stations have betrayed the public trust and we, list of names attached, are demanding:

- **An immediate end to the broadcasting of music with obscene, vulgar, and violent lyrics on radio stations 92.3 and 107.5 in Chicago and other similarly-formatted stations across the country.**
- **All advertisers end their financial support of these stations**
- **The FCC revokes the licenses of these stations**

We urge the FCC to take this complaint seriously and to immediately launch an investigation into these stations.

Please email clearairwaves@gmail.com if we may answer any questions.

Thank you for your attention in this matter and we look forward to your response.

Sincerely,

Kwabena Rasuli
