September 2020

Lake Area Educational Broadcasting Foundation admits that it was unaware that the first “Statement on Third Party Fundraising” for the first quarter of 2019 was required to be uploaded to the online PIF by April 10, 2019. We were under the assumption that if our station aired no Third Party fundraising, no statement was necessary.

After realizing our error, all subsequent statements were uploaded in a timely manner to the online public file for each of the LAEBF stations.

We hope the Commission will be lenient on this omission since it was a new requirement in 2019.
