

Online Public Inspection File

During the current license period, licensee has failed to comply with certain Online Public Inspection File ("OPIF") requirements for WVSN:

Section 73.3613 Contracts and Documents. Licensee failed to upload a list of the contracts and other documents required under Section 73.3613 of the Commission's rules to WVSN's online public file by the requisite deadline. The missing list has now been uploaded.

EEO Public File Reports. Licensee failed to upload its Public File Reports in a timely manner. The reports were subsequently uploaded to WVSN'S online public file.
