

**FCC Form 303-S**  
**Commercial Limits Certifications**

WVEA-TV carried UniMas Network on its main digital stream up to December 3, 2017. Univision Network commenced on December 4, 2017. On the station's main digital stream from November 15, 2017 through December 3, 2017, the Unimas Television Network aired two consecutive half hour episodes of the animated television program *Pokemon* between 4 pm and 5 pm EST, Monday through Friday, for a total of 5 hours per week. From November 15, 2017 through December 3, 2017, each one-hour block of the *Pokemon* program contained a total of 15 minutes and 45 seconds of commercial time, i.e., 3 minutes and 45 seconds over the 12 minutes per hour limit on commercial time during children's programming. The cumulative overage over these 13 days was 48 minutes and 45 seconds.
