Digital Low Power Television Station
Reclassification of Service of a Low Power Television Station**

Dear Ms. Dortch:

TV-49, Inc. (“TV-49”), a subsidiary of Weigel Broadcasting Company, respectfully requests that the Commission re-classify the service of the above-referenced low power television station. TV-49 wishes to convert KUTA-LD (the “Station”) from a low power class to a translator class, and to have the Commission issue a traditional translator call sign. As a translator, the Station will simulcast the programming of commonly-owned station KCSG(TV), Cedar, Utah.

Any questions concerning this matter may be directed to the undersigned.

Respectfully submitted,

Matthew S. DelNero
Counsel to the TV-49, Inc.
