FCC Violations

On November 8, 2019 the Media Bureau released a Memorandum Opinion and Order in MB Docket No. 19-168 (34 FCC Rcd 10367) finding that the licensee, together with a number of other broadcast television stations, had failed to negotiate in good faith with DIRECTV, LLC and AT&T Services, Inc. for consent to retransmit the station's signals. On December 9 2018, licensee, together with a number of the other defendants, filed an Application for Review of the Media Bureau's decision, arguing that the defendants had not committed any violation of the good faith negotiation requirements. On September 15, 2020, the Commission released a Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture (FCC 20-122, the "NAL") denying the Application for Review and imposing a forfeiture on the licensee. Licensee intends to respond to the NAL before the deadline to do so, which has not occurred as of the filing of this license renewal application.
