

WRUA-DT Children's Television Programming Reports

During the last license renewal period, Eastern Television Corporation ("Licensee"), licensee of WRUA-DT, Fajardo, PR (Facility ID No. 15320) ("WRUA"), cannot certify full compliance with WRUA's Children's Television Programming Report obligations. The station's initial annual Children's Television Report was filed on September 30, 2020, after the July 10, 2020 deadline imposed by the Commission. In addition, the Q3 2016, Q3 2017, Q4 2017, Q1 2018, and Q2 2018 reports were filed late. Licensee appreciates its obligation to fully comply with the Commission's rules. Licensee believes the public interest was not impacted by the oversights listed above, which were corrected immediately by Licensee upon discovery and typically only a few days after the deadline prescribed by the rules. Nonetheless, going forward, Licensee is committed to and will ensure full compliance with the Commission's rules, as WRUA's normal practice of timely uploading required documents shows.
