

WIGL-LD, Atlanta, GA (Fac. Id. 181474)
Renewal Application
Minimum Operating Explanation

WIGL-LD was displaced as part of the post-auction TV repack, and ceased operations in September 2019 pursuant to silent STA (LMS 0000081762) in order to complete the work required to build out the displacement channel facilities. During this time, it was unable to operate for the required minimum number of operating hours for more than 30 days. After construction interruptions due to COVID-19, the station resumed on-air operations in July 2020 on its new channel.
