

Combined Auxiliary Facilities Exhibit

When operating as combined Auxiliary facilities, Stations WQBT (FAC. ID #8594) and WAEV (FAC. ID# 50403) are sharing this antenna and may only operate with 5.6 kW ERP for WQBT and 6.3 kW ERP for WAEV. Only these two Stations will use this facility at the same time. All of the following stations share this antenna, as authorized herein: Stations WQBT (FAC. ID #8594), WLVH (FAC. ID # 31094), WAEV (FAC. ID# 50403), and WYKZ (FAC. ID# 67680). When operating at the full power authorized on this license, only one Station may use this facility at a time.
