

## **KYGO-FM**

### **Online Public Inspection File**

While the station uploaded information regarding political advertising to the station's online public file, the materials were not uploaded immediately in certain instances. The licensee has taken corrective action to put in place procedures to ensure that all required political advertising documentation is timely uploaded. In addition, the station uploaded the 1Q 2016 and 3Q 2016 quarterly issues/programs lists late.
