

**Request for Special Temporary Authority to Operate at Reduced Power**

Word of God Fellowship, Inc. (“WOGF”), the licensee of low power television station WKDC-LD, Columbia, South Carolina, hereby respectfully requests Special Temporary Authority to operate at a reduced power of 1.400 kW ERP on its displacement channel, channel 16. This is necessary so that WOGF may complete construction of its permanent displacement facilities (See File No. 0000054557). WOGF requests that it be granted a 180 day STA for the WKDC-LD facility or until such time as all construction is complete.
