

## **FCC Violations and Online Public File**

### **KSTP-FM**

On September 3, 2020, the licensee (and commonly owned radio licensees) entered into a consent decree with the FCC's Media Bureau that fully resolved matters involving untimely political file uploads. *See Online Political Files of Chicago FCC License Sub, LLC*, Order, 35 FCC Rcd 9491 (MB 2020).

The 1Q 2019 quarterly issues/programs list, which was timely uploaded on April 10, 2019, was uploaded again on June 14, 2019 when it was discovered that the list disappeared from the station's OPIF. An explanatory note with a screenshot of the station's OPIF upload history was also uploaded.
