

**Off-Air Notification and Request for Special Temporary Authority to Be Silent**

Tutt Media Group, Inc. (“TMGI”), licensee of low power television (“LPTV”) station WTMQ-LD, Jacksonville, North Carolina (Facility ID No. 184346, “WTMQ”), hereby notifies the Commission that WTMQ is temporarily off the air, and has been off the air since at least October 26, 2020, due to displacement by the Commission’s spectrum auction winner for that frequency in the WTMQ’s service area commencing operations. TMGI requests special temporary authority (“STA”) for WTMQ to remain silent for up to six months, pending completion of construction of its displacement Channel 32 facilities, as authorized in LMS File No. 0000029998.
