**ASR INFORMATION UPDATE FOR WSEC LICENSE**

The license to cover submitted for WSEC (FCC File #000117586) referenced the existing ASR 1221865 because the new ASR number had not yet been assigned for the replacement tower. The replacement tower ASRN (#1317186) has been assigned and this instant application now identifies the correct ASR number with the WSEC broadcast facility (FAC ID 70536).

Sincerely,

A handwritten signature in black ink that reads "Greg Best, PE". The signature is written in a cursive, flowing style.

Consulting Engineer
