

FCC ONLINE PUBLIC INSPECTION FILE  
ISSUES AND PROGRAMS LISTS

**KLCH**

Station KLCH has maintained Issues and Programs Lists on a regular, consistent basis, but, due to inadvertent oversight, KLCH's Issues and Programs Lists from 2013 through the first two quarters of 2017 were not uploaded onto its FCC Online Public Inspection File until recently. The situation has been rectified and the Issues and Programs Lists from 2013 through 2020 now appear on KLCH's FCC Online Public Inspection File.
