

KMSM-FM, Butte, Montana
Application for Renewal of License
December 2020

Licensee is unable to make certain AM/FM/LPFM certifications in the instant renewal application, as set forth below. Licensee also is aware that the instant application was not filed in a timely manner. Licensee recently engaged counsel and is filing this application now to ensure that a renewal application is on file as quickly as possible. Licensee intends to amend this application in the coming weeks to provide more fulsome exhibits explaining the circumstances surrounding the disclosures below.

- **Biennial Ownership Report:** Licensee has not filed any ownership reports during the current license term but intends to make corrective filings shortly.
- **Online Public Inspection File:** Licensee has not uploaded certain required materials to its online public inspection file, including its Issues/Programs lists. Licensee is investigating this oversight and will upload all available materials as soon as possible.
- **Minimum Operating Schedule/Silent Station:** KMSM-FM is currently silent and has been since February 2020. Licensee is working to return the station to the air.
