

### **Public File**

In preparing its license renewal filing, the Station conducted an audit of its online public file. It determined that the following material was not timely uploaded to the online public file:

- The Annual EEO Public File report for 2019 was uploaded on 10/16/2020. The station timely placed a copy of the report on the station website but did not upload a copy to the public file.

The Station is committed to uploading political file material as soon as possible consistent with Commission guidance. In reviewing the political file material uploaded over the past two-years, the Station determined that a limited number of orders were not uploaded within one business day. The licensee provided training for staff responsible for uploading political file material to the online file in March 2020 to reinforce the importance of uploading all political material promptly.

### **E/I Symbol**

The Station aired BounceTV programming on a multicast channel in 2016. Due to a technical error by BounceTV, certain CORE programming aired between September 10, 2016 – October 15, 2016, was broadcast without the E/I symbol. Additionally, one program aired on November 5, 2016 without the E/I symbol due to an error by a third-party service provider. BounceTV identified and corrected the problem. The Station re-broadcast all the episodes with the E/I symbol during 4th Quarter in addition to all regularly scheduled CORE programming.
