

### **Request for Special Temporary Authority**

HC2 Station Group, Inc. (“Licensee”) respectfully requests Special Temporary Authority (“STA”) to remain silent while it repairs its permanent broadcast facility for this Digital Class A (“DCA”) station. The Licensee is working diligently to facilitate and resolve issues with the horizontal section of the transmission line, which is full of water and is no longer usable. Additionally, the vertical section of the transmission line had 9 severe holes and the Licensee had them patched, which has subsequently failed. At this time, the line will not hold pressure and will need to be replaced.

Granting this request would not implicate Section 312(g) of the Act, which generally limits silent station authorizations to 12 months.<sup>1</sup> In contrast, the STA requested here would be for a period of up to six months.
