

KFOL-CD, Houma, LA (Fac. Id. 24978)
Renewal Application
Public File

KFOL-CD's 1st quarter Class-A continuing eligibility certification was not uploaded to the station online public file until 4/24/2020 due to COVID-19 access restrictions. The FCC had extended the 4/10/20 quarterly deadline for uploading issues/programs lists, but not other required quarterly uploads.

KFOL-CD's 3Q 2015 commercial limits certification shows an upload date of October 12, 2015, which is timely because October 10th was a Saturday.

Given KFOL-CD's overall compliance with its public file obligations during the license term, the station respectfully requests that the minor issues disclosed herein be considered *de minimis* in nature.
