The following is a list of programs that was pre-empted due to Technical Issues. The station took a lighting strike on Sunday, July 12, 2020 that took out key equipment to broadcast causing us to loose all programming between the time of 5:45 AM and 3:45 PM on our Main Channel. The multicast channels where down from July 12, 2020 5:45 AM to July, 14, 2020 6:30 PM.

Due to above issues we were also not able to let the audience know of the pre-emption as no signal was being transmitted. News attempted to let the viewers know of the lighting strike and our technical issues via push alerts, website, and Facebook.
