

WFXW, Greenville, MS (Fac. Id. 25236)
2020 Children's Television Report
Amendment Explanation

This amendment is filed to correct errors in the original filed report.

Radiant Life Ministries Inc. acquired WFXW on June 15, 2020, and was therefore the license for only a portion of the period from January 1 – December 31, 2020 that this report covers. Because it was not the station licensee during the first quarter of 2020, the report is amended to specify zero hours of children's programming aired in that quarter. The number of hours specified in the second quarter of 2020 are amended to reflect only the number of core children's programming hours aired on the station for the last two weeks of June 2020. The number of hours specified for the third and fourth quarters of 2020 have been changed to reflect the total number of hours aired in the quarter instead of only the average weekly hours. Finally, some programs have been deleted to coincide with the changes described above.
