

Additional Explanation for 2020 Annual Children's Television Programming Report

This exhibit is to explain that on January 11, 2020, as a result of a CW Network feed error, the E/I program "Did I Mention Invention" inadvertently aired from 9:30-9:40am. The regularly scheduled E/I program "This Old House: Trade School" was scheduled to begin at 9:30am and was subsequently joined in progress at 9:40am.
