

PUBLIC INSPECTION FILE

Station Acquired During License Term

Station KADN-TV was acquired by BCBL License Subsidiary, LLC on January 17, 2017. See FCC File No. BALCDT-20160603AAJ. (Allen Media Broadcasting LLC subsequently acquired control of BCBL License Subsidiary, LLC, on July 3, 2019. See FCC File No. BTCCDT-20190507ABU.) Accordingly, the licensee's certification with regard to KADN-TV's public inspection file pertains to the period starting January 17, 2017 and forward.

Public File

In preparing its license renewal filing, the station conducted an audit of its online public file. It determined that the station's annual EEO public file reports for 2017, 2018, 2019 and 2020 were not timely uploaded to the online public file. Specifically, the 2017 report was uploaded on 3/30/2017; the 2018 report was uploaded on 12/15/20; the 2019 report was uploaded on 12/11/20; and the 2020 report was uploaded on 12/11/20 (and amended 12/17/20). Each of the reports was timely uploaded to the station's website by the applicable required deadlines, but due to inadvertent oversight were not timely posted to the online public file. Station management has implemented corrective measures to ensure that all future reports are timely uploaded.

Station KADN-TV is committed to uploading political file material as soon as possible consistent with Commission guidance. In reviewing the political file material uploaded over the past two years, the station has determined that orders were not routinely uploaded within one business day. Station management has implemented corrective measures, including training the staff responsible for uploading political material to the online file, to ensure that political material is now uploaded within one business day from a request for time.
