Licensee's public affairs program shall respond to the issues, needs and interests of the community of Columbus OH which Licensee has ascertained, and shall be presented at times deemed by Licensee to best meet its viewers' needs. Licensee shall maintain a complete public file and compile all required quarterly Issues/Programs Lists (as required by the FCC). Time Broker shall give Licensee copies on a weekly basis of all operating and programming information necessary to prepare quarterly Issues/Programs Lists and to maintain those records required to be kept by the FCC's rules and policies

including, without limitation, Children's TV Programming requirements, EAS announcements, station operating logs and daily program logs.

Such PSAs shall be selected by Licensee in its sole discretion to meet its community service obligations, and the insertion of such PSAs in the Programming shall not entitle Time Broker to any payment credits.

1.5. Time Broker will maintain the ability to deliver the Programming to Licensee's transmitter site by means acceptable to Licensee, and in accordance with FCC technical standards.

1.6 Licensee may perform maintenance on the Station facilities, including taking the Station dark, as necessary to meet FCC and FAA requirements, manufacturer recommendations, and good engineering practice standards. No allowance shall be made for Station downtime for up to ten hours of maintenance per month. If the Station is out of service for more than ten hours per month, Time Broker shall receive a pro rata credit on that month's TBA Fee for the hours exceeding three when the Station is out of service for maintenance.

2. PAYMENTS. For broadcast of the Programming as provided hereunder, Time Broker hereby agrees to promptly pay Licensee the amounts specified in **Attachment 1**.

Specifically, at least ten (10) days before the start of any primary or regular election campaign, Time Broker will clear with Licensee's General Manager the rate Time Broker will charge for the time to be sold to candidates for public office and/or their supporters to make certain that the rate charged is in conformance with applicable law and Station policy. Within twenty-four (24) hours of any request to purchase time in the Programming for or on behalf of a candidate for public office or to support or urge defeat of a ballot issue, Time Broker will report the request to the Station General Manager so that appropriate records may be kept as to the request for such time and the disposition thereof. In general, Time Broker will provide to the Station such documentation relating to such programming as Licensee shall reasonably request and shall indemnify the Licensee for any claim, demand, cost or expense (including reasonable attorneys' fees) arising from the inclusion of any such material in the Programming provided to the Station during the term of this Agreement.

4.3. Licensee shall not be required to receive or handle mail, cables, telegraph or telephone calls in connection with the Time Broker's programs but, in accordance with the provisions of Section 1.2 hereof, Licensee shall be advised promptly by Time Broker of any public or FCC complaint or inquiry concerning such programming, and Licensee shall be given the originals of any letters from the public, including complaints, concerning such programming for inclusion in the Station's public records file as required by the FCC.

5. EXPENSES.

5.1. Time Broker shall be responsible for the costs, specified in **Attachment 3**, associated with the production and development of the Programming, and the sale of air time on the Station during hours in which the Programming airs.

5.2. All equipment necessary for broadcasting by the Station shall be maintained by Licensee in its current condition and in compliance in all material respects with the applicable rules, regulations and technical standards of the FCC, and any capital expenditures reasonably required to maintain the technical quality of the Station's signals shall be made in a timely fashion at the sole expense and in the sole discretion of the Licensee, subject to reimbursement by Time Broker as set forth in **Attachment 3**.

5.3. Licensee will be solely responsible for payment of all Station expenses necessary to fulfill Licensee's FCC obligations and to transmit the Programming, and will be responsible for the salaries, taxes, insurance and related costs for Licensee's Station personnel. 6.3. Licensee shall provide and pay the costs of (a) its General Manager for the Station, who shall report and be accountable solely to Licensee and who shall direct the day-to-day operations of the Station, and (b) such other engineering, administrative and programming personnel as are necessary to fulfill its obligations to the FCC and under this Agreement, including but not limited to all costs of performing required meter readings and of manning any remote control facilities associated with the Station main transmitting system as necessary to meet FCC operating requirements.

In all such cases, Licensee will use its best efforts to give Time Broker reasonable notice of its intention to preempt such broadcast or broadcasts, and, in the event of such preemption, Time Broker shall receive any income received by Licensee from or with respect to programming aired by Licensee in lieu of such preempted broadcast or broadcasts.

8. FORCE MAJEURE. Any failure or impairment (*i.e.*, failure to broadcast at Station' full authorized height and power) of facilities or any delay or interruption in broadcast programs, or failure at any time to furnish facilities, in whole or in part, for broadcasting, due to acts of God, strikes or threats thereof or *force majeure* or due to causes beyond the control of Licensee shall not constitute a breach of this Agreement and Licensee will not be liable to Time Broker, except to the extent of allowing, in each such case of a failure or interruption lasting seventy-two (72) hours or more, an appropriate payment credit for time or broadcasts not provided based upon a *pro rata* adjustment to amounts due as specified in **Attachment 1** based upon the length of time during which the failure or impairment exists.

12.2. Neither party shall be responsible to the other party for any damages occurring as a result of any FCC or other finding that implementation of this Agreement has resulted or will result in a violation of any statute, regulation or FCC rule or policy.

12.3. Each party warrants that it will indemnify and hold harmless the other party and its directors, officers, employees, agents and affiliates from and against any cost or liability (including reasonable attorneys' fees and court costs) arising out of the indemnifying party's misrepresentation under or violation of this Agreement or any portion hereof, or any related agreement between the parties, including costs of defending third party claims and costs of enforcement of this Agreement or such other, related agreement.

12.4. Time Broker will indemnify and hold harmless the Licensee in connection with any fines levied against the Licensee as a result of Time Broker's actions or inactions during the term of this Agreement.

This period may be extended (only in writing, and only by the non-defaulting party) for a reasonable period of time if the defaulting party is acting in good faith to cure and such delay is not materially adverse to the other party.
