

### **Outreach Efforts**

Southeastern Oklahoma Radio, LLC, engages in a variety of activities designed to achieve broad and inclusive outreach. Examples of the efforts made by the stations in this employment unit including hosting a variety of student internships and participating in a career/job fair. Unfortunately, the pandemic caused a number of the initiatives this SEU expected to host or participate in between March 2020 and January 2021 to be postponed or cancelled.

Additional information concerning the outreach efforts undertaken by the stations in this employment unit are reflected in the EEO Public File Reports attached to this FCC Form 2100, Schedule 396, EEO Program Report.

During the period covered by the EEO Public File Reports the employment unit has not experienced any notable difficulties in its outreach efforts.
