Online Public File Certification

Explanation

During the entire 8-year license term, only four documents were uploaded late to the WGGS online public file. The WGGS commercial limits certification for the 3rd and 4th quarter of 2013 and 1st quarter of 2014 were not uploaded to the public file until April 11, 2014, and the 2nd quarter of 2015 commercial limits certification was uploaded three days late. In light of its overall timeliness on all other public file upload requirements for the license term, WGGS respectfully submits that the late uploads described herein be considered *de minimis* in nature.
