

## PROPOSED LICENSEE'S EDUCATIONAL OBJECTIVES AND PROGRAMMING

The proposed assignee expressly adopts the current licensee's educational objectives and program schedule.

As a result, the proposed assignee adopts the statement of educational objectives for which the assignor received Commission approval in FCC File No. BNPL - 20131114BQZ ("Initial Construction Permit Application) and incorporates such statement by reference herein.

In sum: the proposed assignee plans to maintain the station's current programming and personnel such that the station can seamlessly continue to meet the educational objectives the Commission already approved in the Initial Construction Permit Application.
