4. REPRESENTATIONS AND WARRANTIES OF SELLER

(b) Power. Seller has all requisite power and authority to own, operate and lease its properties, to carry on its business as and where such is now being conducted, to enter into this Agreement and the other documents and instruments to be executed and delivered by Seller pursuant hereto and to carry out the transactions contemplated hereby and thereby.

4.2 Authority. The execution and delivery of this Agreement and the other documents and instruments to be executed and delivered by Seller pursuant hereto and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all necessary action of Seller. No other or further act or proceeding on the part of Seller is necessary to authorize this Agreement or the other documents and instruments to be executed and delivered by Seller pursuant hereto or the consummation of the transactions contemplated hereby and thereby. This Agreement constitutes, and when executed and delivered, the other documents and instruments to be executed and delivered by Seller pursuant hereto will constitute, valid binding agreements of Seller, enforceable in accordance with their respective terms, except as such may be limited by bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally, and by general equitable principles.

4.3 Required Consents; No Conflicts.

(a) Except as set forth in Schedule 4.3(a) or in connection with the filings referred to in Section 6.1 and Section 6.2, the execution, delivery and performance by the Seller of this Agreement or any of the agreements to be delivered in connection herewith will not require the consent, approval, authorization or permit of, or filing with, or notification to any Governmental Entity, except (i) as have been obtained or will be obtained or have occurred prior to the Closing,

and (ii) those the absence of which will not be reasonably expected to have a material adverse effect on the Stations or its business.

(b) Except as set forth in Schedule 4.3(b), the execution and delivery of this Agreement or any of the agreements to be delivered in connection herewith, the fulfillment of and the compliance with the respective terms and provisions of each, and the consummation of the transactions described in each, do not and will not (i) conflict, in any material respects, with or violate any Law applicable to or affecting Seller, the Stations or the Purchased Assets, (ii) conflict, in any material respects, with or result in any material breach of or constitute a default (or an event which with notice or lapse of time or both would become a default) under any Contract to which Seller is a party or by which Seller is bound or to which any of the Purchased Assets or the Stations is subject or affected (except certain of the Contracts may be assigned only with the consent of third parties as set forth in Schedule 4.3(b)), or result in the creation of any Lien upon the Purchased Assets, or (iii) conflict with or violate the organizational documents of Seller.

4.4 Absence of Certain Changes. Except as and to the extent set forth in Schedule 4.4 attached hereto, there has not been (i) any sale, lease or other transfer or disposition of any of the Purchased Assets, except for the sale of items in the ordinary course of business; or (ii) any other event or condition not in the ordinary course of business relating to the Stations that would have a material adverse effect on the Stations as it is presently operated.

4.5 Absence of Undisclosed Liabilities. Seller does not have any Liabilities relating to the operation of the Stations other than commercial liabilities and obligations incurred in the ordinary course of business and consistent with past practice and none of which has or will have a material adverse effect on the business or results of operations of the Stations, and none of which shall be assumed or payable by Buyer.

4.6 No Litigation. Except as set forth in Schedule 4.6 attached hereto, there is no Litigation pending or, to the best of Seller's knowledge, threatened against Seller relating to its ownership and operation of the Stations, or any of the Purchased Assets, nor does Seller know, or have grounds to know, of any basis for any Litigation.

4.7 FCC Licenses and Permits. Seller is the holder of the FCC Licenses and Permits listed on Schedule 1.1(a), and the FCC Licenses and Permits (i) are valid, in good standing and in full force and effect and constitute all of the licenses, permits and authorizations required by the Act, the Rules and Regulations or the FCC for, or used in, the operation of the Stations as now operated, and (ii) constitute all the licenses and authorizations issued by the FCC to Seller for or in connection with the current operation of the Stations. Seller has no actual knowledge of any condition imposed by the FCC as part of any FCC License which is neither set forth on the face thereof as issued by the FCC nor contained in the Rules and Regulations applicable generally to the Stations of the type, nature, class or location of the Stations. WAKV is being operated in material accordance with the terms and conditions of its FCC Licenses and in material accordance with the Rules and Regulations. No proceedings are pending or, to the knowledge of the Seller, are threatened which may result in the revocation, modification,

non-renewal or suspension of any of the FCC Licenses, the denial of any pending applications, the issuance of any cease and desist order or the imposition of any fines, forfeitures or other administrative actions by the FCC with respect to the Stations or their operation, other than proceedings affecting the radio broadcasting industry in general. Seller has complied in all material respects with all requirements to file reports, applications and other documents with the FCC (including the registration of Seller's towers, if required) with respect to the Stations, and all such reports, applications and documents are true and correct in all material respects. Seller has no knowledge of any matters (i) which could reasonably be expected to result in the suspension or revocation of or the refusal to renew any of the FCC Licenses or the imposition of any fines or forfeitures by the FCC, or (ii) against Seller which could reasonably be expected to result in the FCC's refusal to grant approval of the assignment to Buyer of the FCC Licenses and Permits or the imposition of any Material Adverse Condition in connection with approval of such assignment. A Material Adverse Condition is a condition that would materially restrict, limit, increase the cost or burden of or otherwise adversely affect or materially impair the right of Buyer to ownership, use, control, enjoyment or operation of the Stations or the proceeds therefrom; provided, however, that any condition which requires that the Stations be operated in accordance with a condition similar to those contained in the present FCC licenses issued for operation of the Stations, shall not be materially adverse. There are not any unsatisfied or otherwise outstanding citations issued by the FCC with respect to the Stations or their operation.

4.8 Broker Commission or Finder's Fees. Seller represents and warrants that Griffin Media Brokers is the broker of record for this transaction and that the Seller shall be responsible for the payment of any brokerage fees as a result of the consummation of this transaction.

4.9 Insurance. Seller maintains insurance policies or other arrangements with respect to the Stations and the Purchased Assets consistent with its practices for other Stations and will maintain such policies or arrangements until the closing.

4.10 Disclosure. No representation or warranty by Seller in this Agreement, nor any statement, certificate, schedule, document or exhibit hereto furnished or to be furnished by or on behalf of Seller pursuant to this Agreement or in connection with transactions contemplated hereby, contains or shall contain any untrue statement of material fact or omits or shall omit a material fact necessary to make the statements contained therein not misleading. All statements and information contained in any certificate, instrument, or signed document delivered by or on behalf of Seller shall be deemed representations and warranties by Seller.

4.11 Environment. To Seller's knowledge, no hazardous or toxic substance or waste regulated under any applicable environmental, health or safety law has been generated, stored, transported or released on, in, from or to the Leased Real Property included in the Stations' Assets. To Seller's knowledge, Seller has complied in all material respects with all environmental, health and safety laws applicable to the Stations.

4.12 No Third-Party Options. There are no existing agreements with, operations or rights of, or commitments to any person other than Buyer to acquire any of the Purchased Assets or any interest therein or in the Stations. Seller hereby agrees to indemnify, defend and hold harmless Buyer from and against all third-party option claims that may be asserted against Seller and Buyer with regard to the transaction contemplated by this Agreement.

5. REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer makes the following representations and warranties to Seller, each of which is true and correct on the date hereof, shall remain true and correct to and including the Closing Date and shall survive the Closing of the transactions provided for herein as specified in Article 15 of this Agreement.

5.1 Organization and Power.

(a) Organization. Buyer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Michigan.

(b) Power. Buyer has all requisite power to enter into this Agreement and the other documents and instruments to be executed and delivered by Buyer and to carry out the transactions contemplated hereby and thereby.

5.2 Authority. The execution and delivery of this Agreement and the other documents and instruments to be executed and delivered by Buyer pursuant hereto and the consummation of the transaction contemplated hereby and thereby have been duly authorized by Buyer. No other act or proceeding on the part of Buyer is necessary to authorize this Agreement or the other documents and instruments to be executed and delivered by Buyer pursuant hereto or the consummation of the transactions contemplated hereby and thereby. This Agreement constitutes, and when executed and delivered, the other documents and instruments to be executed and delivered by Buyer pursuant hereto will constitute, valid and binding agreements of Buyer, enforceable in accordance with their respective terms, except as such may be limited by bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally, and by general equitable principles.

5.3 Broker Commission or Finder's Fee. Buyer is not obligated to pay a broker's fee or a finder's fee to any person or party with regard to this transaction.

5.4 Disclosure. No representation or warranty by Buyer in this Agreement, nor any statement, certificate, schedule, document or exhibit hereto furnished or to be furnished by or on behalf of Buyer pursuant to this Agreement or in connection with the transactions contemplated hereby, contains or shall contain any untrue statement of material fact or omits or shall omit a material fact necessary to make the statements contained therein not misleading. All statements and information contained in any certificate, instrument, or signed document delivered by or on behalf of Buyer shall be deemed representations and warranties by Buyer.

5.5 Qualifications as a Broadcast Licensee. Buyer is legally, financially and otherwise qualified under the Communications Act of 1934, as amended, and the existing rules, regulations and published policies of the FCC (collectively, "FCC Laws"), to acquire and operate the Stations.

6. APPLICATIONS TO AND CONSENT BY FCC

6.1 FCC Consent. Consummation of the transactions provided for herein and the performance of the obligations of Seller and Buyer under this Agreement are subject to the condition that the FCC shall have issued its consent to an application for consent to the assignment of the FCC Authorizations from Seller to Buyer (the "Assignment Application") without any condition materially adverse to Buyer (the "FCC Consent").

6.2 Assignment Application and Notice. Seller and Buyer shall file with the FCC within fifteen (15) business days after the execution of this Agreement such applications and other documents in the name of Seller or Buyer, as appropriate, as may be necessary or advisable to obtain the FCC Consent. Seller and Buyer shall take all commercially reasonable steps necessary to prosecute such filings with diligence and shall diligently oppose any objections to, appeals from or petitions to reconsider such approval of the FCC, to the end that the FCC Consent and a Final Order with respect thereto may be obtained as soon as practicable; *provided, however*, that in the event the application for assignment of the FCC Licenses has been designated for hearing, either Buyer or Seller may elect to terminate this Agreement pursuant to Section 14. Subject to Section 14.1(b), Buyer shall not knowingly take, and Seller covenants that Seller shall not knowingly take, any action that party knows or has reason to know would materially and adversely affect or materially delay issuance of the FCC Consent without a Material Adverse Condition, unless such action is requested or required by the FCC, its staff or the Rules and Regulations. Subject to Section 14.1(b), should Buyer or Seller become aware of any facts which could reasonably be expected to materially and adversely affect or materially delay issuance of the FCC Consent without a Material Adverse Condition, such party shall promptly notify the other party thereof in writing and both parties shall cooperate to take all steps necessary or desirable to resolve the matter expeditiously and to obtain the FCC's approval of matters pending before it.

6.3 Mutual Covenant of Reasonable Cooperation. Seller and Buyer shall diligently and expeditiously take all necessary and proper steps, provide any additional information requested by the FCC, and otherwise use their best efforts to obtain the FCC Consent and to comply with this Article 6.

6.4 Assignment Application Expenses and Fees. Each party shall be solely responsible for the expenses incurred by it in the preparation, filing and prosecution of its respective portion of the Assignment Application. Each party shall be responsible for one-half of the fees imposed by the FCC for the filing of the Assignment Application.

6.5 Possession and Control of Stations. Between the date of this Agreement and the Closing Date, Buyer shall not control the operation of the Stations, but such operation shall be the ultimate responsibility of Seller. Buyer shall be entitled to reasonable inspection of, and access to, the premises and assets, and to notice of any unusual operating problems or developments with the purpose that an uninterrupted and efficient transfer of ownership may be accomplished. It is further understood and agreed that, effective on the Closing Date and thereafter, Seller shall have no control over, nor right to intervene or participate in, the operation of the Stations. Notwithstanding the foregoing, the parties may enter into a Time Brokerage Agreement simultaneously with the execution of this Agreement so that Buyer can present programming on the Stations pending FCC approval of this transaction (the "Time Brokerage Agreement"). If so, Seller shall retain ultimate control over the Stations under the Time Brokerage Agreement. The parties understand that a copy of the Time Brokerage Agreement would need to be filed with the FCC along with the Assignment Application.

6.6. Construction of Translator W255DF. Seller acknowledges and agrees that the construction of FM Translator Station W255DF prior to the deadline set by the FCC (which deadline is currently January 12, 2021, but may be extended pursuant to Seller's request) is an absolute contingency to the Closing as contemplated herein. Buyer will reimburse Seller for all expenses related to the construction of W255DF so long as the FCC deadline is met. The parties acknowledge and agree that FCC policy requires the Seller to control the construction of W255DF and directly pay for all such construction expenses (including all expenses associated with the preparation and filing of the required FCC License Application) and subsequently seek reimbursement from Buyer. Seller shall provide itemized documentation of all such expenses to Buyer before Buyer provides such cost reimbursements.

6.7 FCC Reports. Subject to any Time Brokerage Agreement between the parties, Seller shall continue to file, on a current basis until the Transfer Date, all reports and documents required to be filed with the FCC with respect to the Stations. Seller shall provide Buyer with copies of all such filings within ten (10) business days of the filing with the FCC.

7. OTHER MATTERS

7.1 Costs. Except as otherwise provided herein, each party to this Agreement shall be responsible for and bear all of its own costs and expenses, including, without limitation, the expenses of its representatives, incurred at any time in connection with pursuing or consummating the transactions provided for in this Agreement.

7.2 Risk of Loss. Risk of loss for damage to or theft, loss or destruction of the Purchased Assets (by any means, including, without limitation, acts of God) occurring after the date of this Agreement and prior to the Closing shall be borne by Seller, and after the Closing shall be borne by Buyer.

7.3 Updating of Schedules. From time to time after the full execution of this Agreement and prior to the Closing, Seller will promptly supplement or amend the Schedules

delivered in connection herewith with respect to any matter which exists or occurs after the date of this Agreement and which, if existing or occurring at or prior to the date of this Agreement, would have been required to be set forth or described in the Schedules or which is necessary to correct any information therein; provided, however, that the provisions of this Section are informational only and Buyer shall not be bound to the terms of any changed Schedules unless they are incorporated into this Agreement by a written amendment signed by Buyer.

7.4 Transfer Taxes and Similar Charges. All recordation, transfer and documentary taxes and fees, stamps, and any excise, sales or use taxes, and all similar costs of transferring the Purchased Assets in accordance with this Agreement shall be borne equally by Seller and Buyer.

8. FURTHER COVENANTS OF SELLER

8.1 Conduct of Business Pending the Closing. From the date hereof until the Closing or earlier termination of this Agreement without a closing, and consistent with any Time Brokerage Agreement the parties may enter into, Seller shall have complete control and supervision of and ultimate responsibility for the Stations and its operation and during such period:

- (a) Operate the Stations in the normal and customary manner in the ordinary course of business;
- (b) Continue to operate the Stations in accordance with the terms of the FCC Authorizations and in material compliance with all applicable laws and FCC Rules; and, not sell or dispose of any Purchased Assets.

9. JOINT COVENANTS

Seller and Buyer shall have a continuing obligation to promptly notify the other party in writing with respect to any matter hereafter arising or discovered which, if existing or known at the date of this Agreement, would have been required to be disclosed to the other party, but no such disclosure shall cure any breach of any representation or warranty which is inaccurate. Further, Seller and Buyer shall give prompt notice to the other party at any occurrence that comes to its attention that may constitute a misrepresentation, breach of warranty, or nonfulfillment of any covenant or condition on the part of Seller or Buyer contained in this Agreement. Seller and Buyer both agree to use their best efforts prior to Closing to obtain all consents necessary for the consummation of the transaction contemplated hereby, including consent and approval from the FCC.

10. CONDITIONS PRECEDENT TO BUYER'S OBLIGATIONS

Each and every obligation of Buyer to be performed on the Closing Date shall be subject to the satisfaction prior to or at the Closing of each of the following conditions:

10.1 Representations and Warranties True on the Closing Date. Each of the representations and warranties made by Seller in this Agreement, and the statements contained in any instrument, list, certificate or writing delivered by Seller pursuant to this Agreement, shall be true and correct in all material respects when made and shall be true and correct in all material respects at and as of the Closing Date as though such representations and warranties were made or given on and as of the Closing Date.

10.2 Compliance with Agreement. 10.4 Consents and Approvals. The FCC Consent and all other approvals, consents and waivers that are required to effect the assignments of the Stations' licenses contemplated hereby shall have been received and the FCC Consent shall have become a Final Order (as hereinafter defined), provided that a Final Order may be waived by Buyer. "Final Order" means a grant, consent or authorization by the FCC which is no longer subject to reconsideration or review by the FCC or a court of competent jurisdiction, and in regards to the Assignment Application, consents to the assignment of the FCC Authorizations contemplated by this Agreement without the imposition of any conditions that could have a material adverse effect on Seller or Buyer with respect to the assignment of the FCC Authorizations from Seller to Buyer.

10.5 Third Party Consents and Approvals. Seller shall have obtained all third-party consents and approvals, if any, required for the transfer or continuance, as the case may be, of the Contracts on Schedule 1.1(d) attached hereto (and contracts that would have been on Schedule 1.1(d) attached hereto had they been in existence on the date of this Agreement).

10.6 Closing Certificates. Buyer shall have received a certificate, dated as of the Closing Date, from Seller certifying that the conditions set forth in Sections 10.1 and 10.2 hereof have been fulfilled.

10.7 Copies of Documents. Seller shall have delivered to Buyer true and complete copies of all written leases, commitments, contracts, licenses, and other agreements referred to in Schedule 1.1(d) and Schedule 2.1 attached hereto.

11. CONDITION PRECEDENT TO SELLER'S OBLIGATIONS

11.2 Compliance with Agreement. Buyer shall have performed and complied in all material respects with all of Buyer's agreements and obligations under this Agreement which are to be performed or complied with by Buyer prior to or on the Closing Date, including the delivery of the closing documents and the Purchase Price specified in Section 3 of this Agreement

11.3 Consents and Approvals. The FCC Consent and all other approvals, consents and waivers that are required to effect the assignment of the Licenses shall have been received.

11.4 Absence of Litigation. No Litigation shall have been commenced or threatened, and no investigation by any Government Entity shall have been commenced, against Buyer, Seller or any of the affiliates, officers, members or Shareholders of any of them, with respect to the transactions contemplated hereby.

11.5 Certifications. Seller shall have received a certificate, dated as of the Closing Date, from the Buyer, executed by a duly authorized officer of Buyer, certifying that the conditions set forth in Sections 11.1 and 11.2 hereof have been fulfilled.

12. INDEMNIFICATION

12.1 By Seller. Subject to the terms and conditions of this Article 12, Seller hereby agrees to indemnify, defend and hold harmless Buyer, and its directors, officers, employees, members and controlled and controlling persons (hereinafter "Buyer's Affiliates"), from and against all Claims asserted or instituted by any third party or Governmental Entity ("Third Party Claims") against Buyer or any Buyer Affiliate, and all Losses incurred by Buyer or such Buyer Affiliate as a result of such Claims, directly or indirectly, by reason of, or resulting from:

(a) the inaccuracy or breach of any representation or warranty of Seller contained in or made pursuant to this Agreement;

(b) the breach of any covenant of Seller contained in this Agreement;

(c) any Third-Party Claim brought by or on behalf of any broker or finder retained, employed or used by Seller or any of its directors, officers, employees, members or agents in connection with the transactions provided for herein or the negotiation thereof, whether or not disclosed herein;

(d) any Third-Party Claim with respect to the ownership or operation of the Stations or the Purchased Assets prior to the Closing Date including, without limitation, any Liabilities arising under the FCC Authorizations or the Contracts which relate to events occurring prior to the Closing Date, but excluding any Third-Party Claim related to conduct by Buyer or Buyer's Affiliates pursuant to any Time Brokerage Agreement the parties may enter into; or

(e) any Third-Party Claim, whether arising before or after the Closing Date, with respect to any of the liabilities that are not assumed by Buyer, as more specifically described in Section 2.2, but excluding any Third-Party Claim related to liabilities undertaken by Buyer or Buyer's Affiliates pursuant to any Time Brokerage Agreement the parties may enter into.

As used in this Article 12, the term "Claim" shall include all demands, claims, suits, actions, causes of action, proceedings and assessments, whether or not ultimately determined to be valid, and the term "Losses" shall include (i) all Liabilities; (ii) all losses, damages, judgments, awards, penalties and settlements; and (iii) all costs and expenses (including, without limitation, interest (including prejudgment interest in any litigated or arbitrated matter), court costs and fees and expenses of attorneys and expert witnesses) of investigating, defending or asserting any of the foregoing or of enforcing this Agreement.

12.2 By Buyer. Subject to the terms and conditions of this Article 12, Buyer and Buyer's Shareholders hereby agree to indemnify, defend and hold harmless Seller and its shareholders, directors, officers, employees, members and controlled and controlling persons (hereinafter "Seller's Affiliates"), from and against all Third Party Claims asserted or instituted against Seller or any Seller Affiliate, and all Losses incurred by Seller or such Seller Affiliates as a result of such Claims, directly or indirectly, by reason of or resulting from:

(a) the inaccuracy or breach of any representation or warranty of Buyer contained in or made pursuant to this Agreement;

(b) the breach of any covenant of Buyer contained in this Agreement;

(e) any Third-Party Claim arising after the Closing Date with respect to any assumed liabilities.

12.3 Notice and Defense. The party or parties to be indemnified (whether one or more, the "Indemnified Party") will give the party from whom indemnification is sought (the "Indemnifying Party") prompt written notice of any such Claim, and the Indemnifying Party will undertake the defense thereof by representatives chosen by it. The assumption of defense shall constitute an admission by the Indemnifying Party of its indemnification obligation hereunder with respect to such Claim, and its undertaking to pay directly all costs, expenses, damages, judgments, awards, penalties and assessments incurred in connection therewith. Failure to give such notice shall not affect the Indemnifying Party's duty or obligations under this Article 12, except to the extent the Indemnifying Party is prejudiced thereby. So long as the Indemnifying Party is defending any such Claim actively and in good faith, the Indemnified Party shall not settle such Claim. The Indemnified Party shall make available to the Indemnifying Party or its representatives all records and other materials required by them and in the possession or under the control of the Indemnified Party, for the use of the Indemnifying Party and its representatives in defending any such Claim, and shall in other respects give reasonable cooperation in such defense.

12.4 Failure to Defend. If the Indemnifying Party, within a reasonable time after notice of any such Claim, fails to defend such Claim actively and in good faith, the Indemnified Party will (upon further notice) have the right to undertake the defense, compromise or settlement of such Claim or consent to the entry of a judgment with respect to such Claim, on behalf of and for the account and risk of the Indemnifying Party, and the Indemnifying Party shall thereafter have no right to challenge the Indemnified Party's defense, compromise, settlement or consent to judgment.

12.5 Indemnified Party's Rights. Anything in this Article 12 to the contrary notwithstanding, (i) if there is a reasonable probability that a Claim may materially and adversely affect the Indemnified Party other than as a result of money damages or other money payments, the Indemnified Party shall have the right to defend, compromise or settle such Claim, and (ii) the Indemnifying Party shall not, without the written consent of the Indemnified Party, settle or compromise any Claim or consent to the entry of any judgment which does not include as an unconditional term thereof the giving by the claimant or the plaintiff to the Indemnified Party of a release from all Liability in respect of such Claim.

12.6 Payment. The Indemnifying Party shall promptly pay the Indemnified Party any amount due under this Article 12. Upon judgment, determination, settlement or compromise of any third-party Claim, the Indemnifying Party shall pay promptly on behalf of the Indemnified Party, and/or to the Indemnified Party in reimbursement of any amount theretofore required to be paid by it, the amount so determined by judgment, determination, settlement or compromise and all other Claims of the Indemnified Party with respect thereto, unless in the case of a judgment, an appeal is made from the judgment. If the Indemnifying Party desires to appeal from an adverse judgment, then the Indemnifying Party shall post and pay the cost of the security or bond to stay execution of the judgment pending appeal. Upon payment in full by the Indemnifying Party, the Indemnifying Party shall succeed to the rights of such Indemnified Party, to the extent not waived in settlement, against the third party who made such Third-Party Claim.

12.7 Certain Limitations.

(a) The maximum liability of either party for indemnification under this Article 12 shall be Forty Thousand and 00/100 Dollars (\$40,000).

(b) Payments by an Indemnifying Party under this Article 12 in respect of any Loss shall be limited to the amount of any liability or damage that remains after deducting therefrom any insurance proceeds and any indemnity, contribution or other similar payment received or reasonably expected to be received by the Indemnified Party in respect of any such Claim. The Indemnified Party shall use its commercially reasonable efforts to recover under insurance policies or indemnity, contribution or other similar agreements for any Losses prior to seeking indemnification under this Agreement.

(c) In no event shall any Indemnifying Party be liable to any Indemnified Party for any punitive, incidental, consequential, special or indirect damages, including loss of future revenue or income, loss of business reputation or opportunity relating to the breach or alleged breach of this Agreement, or diminution of value or any damages based on any type of multiple.

(d) Each Indemnified Party shall take, and cause its Affiliates to take, all reasonable steps to mitigate any Loss upon becoming aware of any event or circumstance that would be reasonably expected to, or does, give rise thereto, including incurring costs only to the minimum extent necessary to remedy the breach that gives rise to such Loss.

(e) Seller shall not be liable under this Article 12 for any Losses based upon or arising out of any inaccuracy in or breach of any of the representations or warranties of Seller contained in this Agreement if Buyer had knowledge of such inaccuracy or breach prior to the Closing.
