

## Multiple Ownership Compliance Analysis

The parties to this application, through SummitMedia and its licensee subsidiaries listed below (collectively, “SummitMedia”),<sup>1</sup> have attributable interests in 5 full-power broadcast stations which are listed as “home” to the Springfield, MO Market (“Springfield Market”) by BIA:

<u>Licensee</u>	<u>Station</u>	<u>Type</u>	<u>Community of License</u>	<u>State</u>	<u>Facility ID No.</u>
SM-KRVI, LLC	KRVI	FM	Mount Vernon	MO	55165
SM-KSGF-AM, LLC	KSGF	AM	Springfield	MO	62024
SM-KSGF-FM, LLC	KSGF-FM	FM	Ash Grove	MO	2924
SM-KSPW, LLC	KSPW	FM	Sparta	MO	10119
SM-KTTS, LLC	KTTS-FM	FM	Springfield	MO	62023

SummitMedia does not hold attributable interests in any other station in the Springfield Market.

As shown in the BIA Market Report for the Springfield Market attached hereto, the market is currently home to 27 full-power broadcast stations. Section 73.3555(a)(1)(iii) of the Commission’s rules provides that, in a radio market with between 15 and 29 (inclusive) full-power, commercial and noncommercial radio stations, a party may hold attributable interests in 6 full-power commercial and non-commercial broadcast stations located in the same market – no more than 4 of which are in the same service.<sup>2</sup>

SummitMedia is currently in compliance with the FCC’s multiple ownership limits for the Springfield Market because SummitMedia currently has attributable interests in only 5 full-power broadcast stations in the market – 4 of which are in the FM service, and 1 of which is in the AM service. Furthermore, following the closing the transaction contemplated in this application, SummitMedia will remain in compliance with the FCC’s ownership limits for the Springfield Market as the stations in that market in which it has attributable interests will remain unchanged. For these reasons, SummitMedia is currently, and will remain in compliance with the FCC’s multiple ownership rules.
