

## W235DC DICKSON CITY APPLICATION INFORMATION

This application proposes to modify 0000130178, the W235DC License. This Construction Permit application proposes a minor change to W235DC. This application proposes a different antenna, a different location, a different power level and a different height. The proposed 60 dBu overlaps the 60 dBu contour of 0000130178, the current W235DC License thus satisfying the minor change requirement.

It should be noted that this FM Translator proposal will rebroadcast the HD3 of FM station WGGY, Scranton, PA (Fac. ID number 36202).

This FM Translator is a Commercial Translator (incorrectly listed in the LMS system as Non commercial).
