

**K21OW-D (Facility ID 55483), Lordsburg, NM  
License to Cover Application**

This application seeks a license to cover for the construction permit in FCC File No. 0000105211 for the channel 21 digital TV translator facilities for K21OW-D, Lordsburg, New Mexico, FCC Facility ID 55483.

Please note that these digital facilities serve to replace the prior analog TV translator facilities licensed under call sign K02KP, Lordsburg, New Mexico, also FCC Facility ID 55483. The K21OW-D facilities are labeled in LMS as a digital companion channel facility for K02KP, but share the same Facility ID number as the K02KP analog TV facilities. The licensee is now operating the K21OW-D digital facilities under Facility ID 55483 and will no longer operate K02KP analog facilities.
