

**WLUK-TV Channel Change Application**  
**LMS File No. 0000127667**

**Purpose of Amendment**

WLUK Licensee, LLC hereby amends this petition to provide an updated version of the petition's engineering narrative. As described in the engineering narrative, Commission staff has requested additional information regarding the population predicted to be served by the proposed channel 18 facility versus the population currently served by WLUK-TV's licensed channel 12 facility, LMS File No. 0000117416 (granted July 13, 2020). The instant amendment provides only the requested information. Otherwise, there are no other proposed changes to the pending application. As shown in the revised map, there is no loss of area or population as a result of the proposed channel change.
