

On behalf of Millard County, Utah  
IAW TV Translator Maintenance Agreement 2020

In regards to providing a brief explanation for the withdrawal of license to cover for LPTV translator application:

As of 2020, Commercial Business Radio was contracted by Millard County to maintain TV translators, including FCC licenses. However, we made a mistake in listing Commercial Business Radio as the applicant, rather than Millard County. We are requesting the withdrawal of the application in order to correct the error.

Thank you,
